

Castro County Appraisal District

2021 Annual Report

Introduction

The Castro County Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

Mission

The mission of Castro County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of the district for ad valorem tax purposes. This will be done by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller's Office (PTAD)
- The International Association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

Governance

The appraisal district is governed by a Board of Directors whose primary responsibilities are to:

- Establish the district's office
- Adopt its operating budget
- Contract for necessary services
- Hire the Chief Appraiser
- Appoint the Appraisal Review Board (ARB)
- Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board
- Approve contracts with appraisal firms selected by the chief appraiser to perform appraisal services for the district
- Make general policies on the appraisal district's operations
- Biennially develop a written plan for the periodic reappraisal of all property within the district's boundaries

To be eligible to serve on the board of directors, a person must have resided within the boundaries of the county for at least two years prior to their appointment. Their terms are not staggered. There are no legal limits to the number of terms a board member can serve. The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the board of directors. The chief appraiser must be licensed as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation (TDLR).

Members to the Appraisal Review Board are appointed by the Board of Directors. ARB members serve two-year staggered terms and must be certified by the Texas Comptroller. Their duties are to:

1. Determine protests initiated by property owners
2. Determine challenges initiated by taxing units
3. Correct clerical errors in the appraisal records and the appraisal rolls
4. Act on motions to correct appraisal rolls under Section 25.25 of the Texas Property Tax Code
5. Determine whether an exemption or a partial exemption is improperly granted and whether land is improperly granted appraisal as provided by Subchapter C, D, E, or H, Chapter 23 of the Texas Property Tax Code
6. Take any other action or make any other determination that this title specifically authorizes or requires

Decisions made by the ARB regarding value are binding to the chief appraiser for the tax year protested and the following tax year.

The Ag Advisory Board is appointed by the Chief Appraiser at the advice and consent of the Board of Directors to aid in determining typical practices and standards for agricultural activities in the district. Members of the board serve staggered terms of 2 years, are required to meet at least once a year at the call of the Chief Appraiser and are not entitled to compensation.

For school tax purposes, the over 65 and over 65 surviving-spouse along with the disability and disability surviving spouse exemptions create a tax ceiling prohibiting increased taxes on existing land & improvements on the homesite portion of the property. (Any new areas added to the homesite will cause the ceiling to be readjusted and set in the subsequent tax year.) No other taxing entities other than the school districts offer the aforementioned ceiling.

All homeowners who qualify for the residential homestead exemption are subject to the placement of a homestead cap on their qualifying property which prohibits the increase of taxable value on the homestead property to five percent per year. However, the market value may still be reflective of the local real estate market.

The residential homestead exemption allowable to disabled veterans with a 100% service-connected disability (DVHS) allows the homestead property of the disabled veteran to be totally exempt. This exemption is also available to the surviving spouse of the 100% disabled veteran (DVHSS). Disabled veterans are also allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemption amounts, based upon these ratings are:

Disability Percentage	Exemption Amount
10-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
70-100%	\$12,000
